- **Step Three:** Once you see the drop-down menu, you will select the officiating information tab in the drop-down menu, as shown in the photo below.

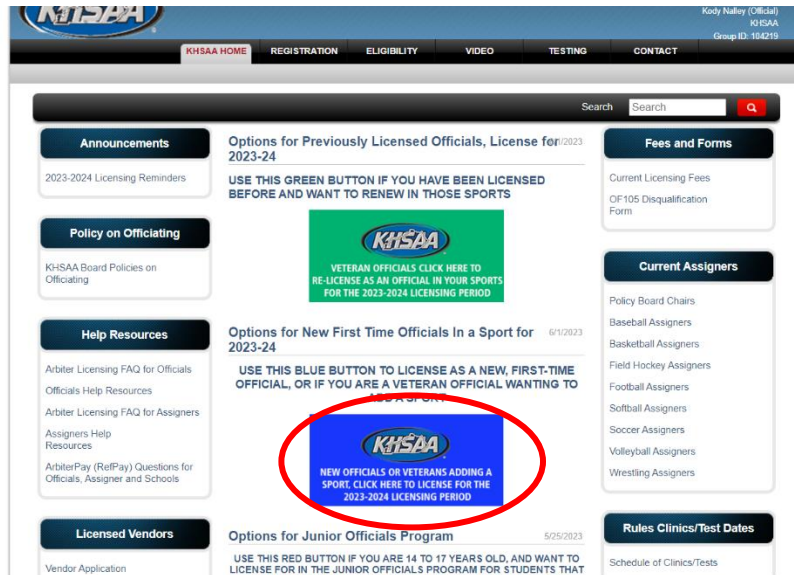

- **Step Four:** After you click the officiating information tab, you will arrive on this page, as shown below. You will then click the green box on the right-hand side of the page.

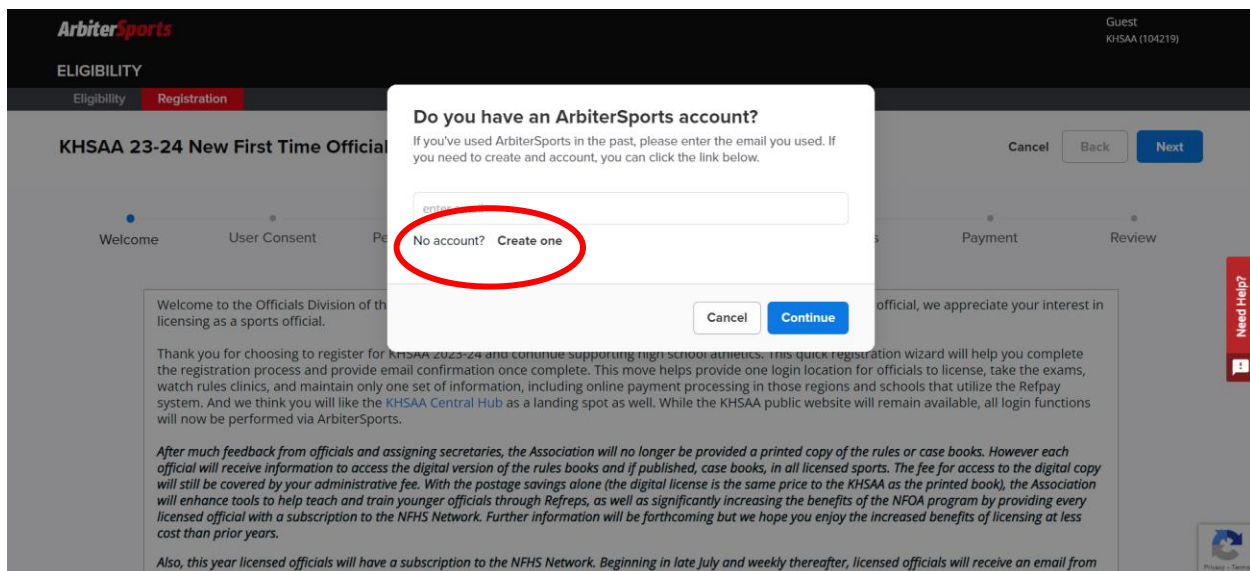

How To Sign Up For KHSAA

- **Step Five:** You will then arrive at this page. Next is to click the blue box for first time KHSAA soccer officials.

- **Step Six:** After you click the blue box you will be taken to another webpage, called Arbiter, as shown below. Follow the prompts to either log in if you have an Arbiter account or click create one. Follow all the instructions on the page and click “soccer” when asked what sport. You must complete the payment for the sign up to work.

How To Sign Up For KHSAA

- **Step Seven:** First time soccer officials will need to then complete an online proficiency test for the NFHS Rules and are required to join a local chapter. The Kentuckiana Soccer Officials Association (KSOA) is the Louisville, KY area chapter. Contact our secretary Sean Jordan, sean.jordan@jefferson.kyschools.us, to speak with the board members and get in contact with the KHSAA assignor for regions 6 and 7. As of 21JUN2023, the rules test is not up on the KHSAA website, look for a future email regarding when the test will be available. The KSOA will also be putting out this information as well. It is recommended to join your local chapter even before you complete the rules clinic/testing to stay up to date on information. The NFHS rules can be accessed [here](#), you can also follow the directions to download the app. KHSAA will mail one hard copy book to you for free to the address you have listed when signing up.
